

DUMB MISTAKES

Session

One

“Failure to Fear God”

And how to avoid them!

Introduction

We may be called the “United States”, but Americans today are anything but united. The populace is now polarized around ideologies and causes; what you are for now determines who you are “with.” One of the groups most singled out are the “fundamentalists”: the people who hold their Christian faith deeply and literally, who confess greater allegiance to God than to government. How wise is it to malign this group?

Background

The Story of Amalek – Exodus 17:8-15

The Mistake

What was the Amalekites’ dumb mistake?

The Result

What happened as a result of their mistake?

The Principle

What principle did they violate in their mistake?

The Solution

How can you avoid making the same mistake?
