

RECOVERING OUR LOST LEGACY

The Principle of Faith

Session 8 – 7/28/05

In Christian circles, it's called the "Faith Movement." The tenants of this schism include the suggestion that miraculous evidences of the invisible God should characterize the life of the effective believer. The idea that superstar

Christians have recent tales of inexplicable wondrous exploits falls into difficulty in the light of the burdened believers whose testimonies have led to opposition and abuse. Who's right?
